

Wow! It's June already! Time sure flies when you're having fun. With the school year coming to an end and summer vacations starting, remember, wherever you vacation look for a place to dance. You can enjoy dancing just about anywhere nowadays. So take advantage of some of the dance opportunities.

We've had a great first half of the year. Besides our monthly tea dances, we've had the Roa's from Charlottesville here for a Salsa & Tango Workshop and our Black & White Formal in May. Thanks to everyone who helped us with both events.

We'll keep things going this summer with our tea dances, and Jose will be hosting a special Latin dance workshop on August 1. Check the website for details.

Start working on your costumes for our Halloween Dance on November 6<sup>th</sup> at the Vinton War Memorial. This is always a fun dance. Details are posted on the website. We also have a new calendar page there for easy access to what dances are happening in our area.

National Ballroom Week will be in September. If you have any ideas on how to celebrate this event with the public, please send your ideas to us. Together we can make the Roanoke Valley the place to dance!

Enjoy your summer, and keep dancing,

Rick Schmitt
